

array-union

build unknown

Create an array of unique values, in order, from the input arrays

Install

```
$ npm install --save array-union
```

Usage

```
const arrayUnion = require('array-union');

arrayUnion([1, 1, 2, 3], [2, 3]);
//=> [1, 2, 3]

arrayUnion(['foo', 'foo', 'bar'],
  ['foo']);
//=> ['foo', 'bar']
```
