

build

unknown

arrify

Convert a value to an array

Install

```
$ npm install --save arrify
```

Usage

```
const arrify = require('arrify');

arrify('unicorn');
//=> ['unicorn']
```

```
arrify(['unicorn']);
//=> ['unicorn']
```

```
arrify(null);
//=> []
```

```
arrify(undefined);
//=> []
```

*Supplying null or undefined results in an empty array.*
