

Release history All notable changes to this project will be documented in this file. The format is based on Keep a Changelog and this project adheres to Semantic Versioning. Guiding Principles - Changelogs are for humans, not machines. - There should be an entry for every single version.	- The same types of changes should be grouped. - Versions and sections should be linkable. - The latest version comes first. - The release date of each versions is displayed. - Mention whether you follow Semantic Versioning. Types of changes Changelog entries are classified using the following labels (<i>from keep-a-changelog</i>): - Added for new features.	- Changed for changes in existing functionality. - Deprecated for soon-to-be removed features. - Removed for now removed features. - Fixed for any bug fixes. - Security in case of vulnerabilities. [6.0.3] - 2020-01-16 - Merge pull request #31 for issue #30	6.0.0 - 2017-10-13 - refactor code to be more performant - refactor benchmarks 5.1.0 - 2017-10-13 Added - Merge pull request #15 from aretecode/patch-1 - adds support and tests for string & array iterators
1 8 - Merge pull request #7 from laggingreflex/error - add support for error and tests - run update 3.0.4 - 2016-07-29 - move tests - run update	7 - add browserify - Merge pull request #10 from ksheedlo/unrequire-buffer - add promise support and tests - Remove unnecessary Buffer check 3.2.1 - 2017-05-16 3.2.0 - 2017-04-25	6 - streamline isbuffer, minor edits - Merge pull request #8 from tunnckoCore/master - update deps - fix version 4.0.0 - 2017-05-19 3.2.2 - 2017-05-16	5 - updates benchmarks - Merge pull request #14 from struct78/master - Added undefined check - Merge pull request #12 from aretecode/iterator - Set Iterator + Map Iterator 5.0.2 - 2017-08-02 5.0.0 - 2017-06-21
3.0.3 - 2016-05-03 - fix prepublish script - remove unused dep 3.0.0 - 2015-11-17 - add typed array support - Merge pull request #5 from miguelmota/typed-arrays - adds new tests	2.0.1 - 2015-08-21 - use is-buffer module 2.0.0 - 2015-05-31 - Create fallback for <code>Array.isArray</code> if used as a browser package - Merge pull request #2 from dtothefp/patch-1 - Merge pull request #3 from pdehaan/patch-1	- Merge branch `master` of https://github.com/chorks/kind-of into chorks-master - optimizations, mostly date and regex 1.1.0 - 2015-02-09 - adds buffer support - adds tests for buffer 1.0.0 - 2015-01-19 - update benchmarks - optimizations based on benchmarks	0.1.2 - 2014-10-26 - return typeof value if it's not an object. very slight speed improvement - use <code>.slice</code> - adds benchmarks 0.1.0 - 2014-9-26 - first commit
